

Daniel E. Bitzer
President & CEO

First National Bank of Michigan is open to serve you.

During this unprecedented time, the personal safety of our employees and customers is top-of-mind. That said, we remain committed to serving our customers and business partners. We continue to operate as close to business-as-usual as possible. We are following the recommended protocols such as working remotely where possible, social distancing and, by making lobby visits available by appointment, keeping employees and customers as safe as possible. Please call your local branch or email customerservice@fnbmichigan.com to make an appointment.

Regular banking hours are Mon.-Fri. 9 a.m. to 5 p.m. at all locations. No Saturday hours at this time.

As a reminder, here are the safest ways you can access your money, manage your accounts, and even deposit checks without entering a branch:

- Our drive thrus in Kalamazoo and Portage remain open.
- FNBM ATMs are available at each of our branch locations. Non FNBM ATMs can be used for no fee 4 times per month.
- First National Bank of Michigan's online banking empowers you to bank anywhere, anytime 24/7. View transactions, transfer funds between FNBM accounts, make payments and deposits, check balances and more. Sign up or log in at www.FNBMichigan.com/mobile.
- Our mobile app lets you do almost anything you can do in a branch, including deposit checks. Download the app for free, for details go to www.FNBMichigan.com/mobile.

As your local community Bank, I want to assure you we continue to serve our customers. Your deposits are insured by the FDIC and our team of experienced bankers are available to answer all questions you have and to work with you through these challenging times. It is our commitment to continue to provide you with the same level of personal service to which you are accustomed. First National Bank of Michigan is comprised of an experienced team of employees, management and Board of Directors committed to working directly with each of you during these uncertain times.

Sincerely,

Daniel Bitzer

President and CEO
